## WARM & COOL

### WARM & COOL COLORS

#### ACTIVITY GUIDE

Explore warm or cool colors by creating a design using line and shape.

paper, warm colored crayons or cool colored crayons

**STEP ONE:** Start by adding one to three large shapes to your paper.

**STEP TWO:** Fill in the space around your shapes with lines to create a pattern.

**STEP THREE:** Fill in the spaces with more lines, shapes, and colors.

**STEP FOUR:** Completely fill in your shapes with color until your entire paper is filled with your warm or cool colored design.

Enjoy your work of art!

#### TIPS FOR IMPLEMENTING

#### AGE GROUP

- This was designed with elementary students in mind, but can also be a fun activity for early middle school.
- Kindergarten to 1<sup>st</sup> grade can complete the activity with help.
- 2<sup>nd</sup> grade and up can follow the instructions and complete the activity independently.

#### IMPLEMENTATION TIPS

- Print one copy per class and laminate it for students to reference as students work on a separate sheet of paper.
- Provide a color key for students to reference as they work.

### WARM & COOL COLORS

#### ACTIVITY

#### SUPPLIES

- Paper
- Scissors
- Eraser
- Colored pencils, crayons, or markers

#### ACTIVITY

- Read through the warm and cool color design activity.
- Look at examples on the front to help to create a shape focused design and what colors are warm colors and what colors are cool colors.
- Draw your design on the back of the handout or on a separate sheet of paper.
- If you finish the design create a second design using the color scheme you didn't use on your first design.
- TIPS:
  - Include a wide range of shape sizes in your design.
  - Fill up the entire page with lines and shapes.
  - Color all the way to the edges and fill in every shape with color.

#### CHECKLIST

- (check off the drawing's and techniques when they are complete.)
- Includes at least 1 large shape
  - The entire sheet is filled with lines and shapes
  - Lines and shapes go off the edge of the paper
  - Use either warm or cool colors in the design
  - Completely fill the design with color
  - The design is neat and the color application is clean
  - Your name is written on the back
